Misty Mountains Rainforest Retreat is a celebration destination in harmony with nature. No wonder it has served as an intimate wedding venue, honeymoon destination, and romantic getaway of choice to so many discerning guests seeking a unique experience in total privacy.

Located in tropical North Queensland, just south of Cairns, you and your loved one will have 200 acres of rainforest, natural swimming streams, not to mention the added luxury of a massage cabana suspended over the soothing sounds of the natural environment, a resort style pool and a Glass Bar. A bottle of French Champagne chilled for your arrival, a relaxing massage for two in your private cabana in the rainforest, breakfast packs with local fruits, dairy and fresh farm eggs. Your villa will be sprinkled with fresh flowers and chocolates.

Misty Mountains is yours exclusively so whether it's relaxation, romance or to host your wedding day, it will certainly offer you and your wedding guests a life time memory.
